

Dear Laverne,

4-10-81

Since I think cards are a waste of money and since I couldn't find any mother-in-law, mother's day cards, I thought I'd just write a short letter.

I just wanted to say that I love and appreciate you for the mother that you are and for having and raising Jill as you have. She is the greatest blessing to come into my life and I want you to know that I'm going to take the best of care of her. I also appreciate the good example that you are and for all of the help and support that you have given me, I'll always remember it.

I wish you a very happy Mother Day and many more after.

Love Always,
Paul D. Dow
